

How to use the Save Lives Oregon toolkit

The Save Lives Oregon Toolkit offers communications tools and educational materials for organizations partnering with Save Lives Oregon. Learn more about the toolkit materials below and get ideas for how to use them. Questions? Please reach out to us at info@savelivesoregon.org.

Save Lives Oregon & Clearinghouse One Pager

What it is: Information about Save Lives Oregon and how we support our partners.

How you may want to use it:

- Share it with people in your organization so they can learn about Save Lives Oregon
- Learn if you qualify for the Clearinghouse and how to apply for no-cost supplies
- Figure out if Save Lives Oregon or the Clearinghouse are a good fit for your organization

Harm Reduction One Pager

What it is: An overview of harm reduction, the values behind it and how it helps people who use drugs reduce the harms associated with drug use.

How you may want to use it:

- Show people in your organization how harm reduction fits in with other options for recovery and health care
- Share it with people in your community to show how harm reduction supports community health
- Learn more about harm reduction so you can determine if it is a good fit for your organization

Addressing Common Concerns

What it is: Data and insights that address common concerns about harm reduction.

How you may want to use it:

- Share it with people in your organization or community who are new to harm reduction or skeptical of it
- Prepare yourself for difficult conversations with decision makers or funders

Frequently Asked Questions

What it is: Answers to common questions about Save Lives Oregon, including how to get started, how to order supplies, and more.

How you may want to use it:

- Read it before you apply for the Save Lives Oregon Clearinghouse to learn more about the process
- Share it with people in your organization who are involved in ordering supplies so they know what to expect

Talking Points

What it is: Clear, concise and consistent messages to use when talking about harm reduction, Save Lives Oregon, and the Save Lives Oregon Clearinghouse.

How you may want to use it:

- Prepare for conversations with decision makers or community members about harm reduction and Save Lives Oregon
- Learn how to talk about harm reduction and Save Lives Oregon in a way people can relate to and understand
